

Dear Friends

Wow! What a month! Having been knocked sideways by pneumonia and cellulitis my month became very different from the diary of events I had confidently shared with you at the beginning of April! However, energy levels have increased and by the end of the month I was starting to fulfil engagements in my diary including a splendid visit to Nailsea Baptist Church in Somerset last Sunday and a most encouraging time with the retired ministers of WebNet in Bristol yesterday. I am still significantly underpowered and so I am taking life at a gentler pace. I promise!

Last month I encouraged you to send me some of your news and I am so grateful to the many of you who responded to that. I hate the thought of this prayer diary being one way traffic and was absolutely delighted to hear so much of your news. It's a pleasure and privilege to pray for you.

Thank you for your love and prayers,

Yours ever,  
Jonathan
